

Personal Skills

- Familiar with polymer structure analysis, metabonomics analysis method, and molecular biology experiments.
- Structural elucidation with H(U)PLC, GC, LC- MS, GC-MS, ICPMS, NMR.
- R, Endnote, Origin SigmaPlot.
- Strong initiative, meticulous, strong logic.

Personal Information

Birth: October 12th, 1995

Nationality: Chinese

Address: 1/F., Jockey Club School of Chinese Medicine Building, 7 Baptist University Road, Kowloon Tong, Hong Kong, China.

Tel: (+852)55127697

Email: 23481919@life.hkbu.edu.hk

Xueting Zhang

EDUCATION

2022.4 – now RA and phD
Hong Kong Baptist University

2018.9 – 2021.7 Master Degree
China Academy of Chinese Medical Sciences

2014.9 - 2018.6 Bachelor Degree
Heilongjiang University of Traditional Chinese Medicine

RESEARCH EXPERIENCE

(1) Analysis of polysaccharide structure and study on structure-activity relationship.

(2) Targeted and untargeted metabolomic analysis of animals and plants.

(3) Quality evaluation of Chinese patent drug and grade division of Chinese herbal slices.

ACTIVITY

Volunteered in a student-led welfare project, raising funds through crowdfunding and business activities during a journey from Xi'an to Qinghai Lake; donations supported impoverished families in Qinghai Province.
